

## STAKEHOLDERS/LAND HOLDING FAMILIES OF MALEN CHIEFDOM

8<sup>TH</sup> NOVEMBER 2018.

His Excellency,

President Julius Maada Bio,

State House,

Freetown.

Dear His Excellency,

### **LETTER OF APPRECIATION**

We, the land owners of Malen Chiefdom wish to express our profound gratitude to you for sending a high powered Team comprising of Paramount Chiefs, the Security Sector, Civil Society and Provincial Administrators headed by the Resident Minister, Southern Region to arbitrate into our land issue.

We also take this opportunity, on behalf of the people of Malen Chiefdom for the unfortunate utterances against you in two of our meetings by our Hon. Member of Parliament, Shaika Musa Sama of Constituency 104.

'I have lost confidence in President Bio for planning to have audience with thieves (Socfin) while he is in Belgium. He only meant to foolish us which we cannot accept'.

In addition, we apologise to the Team you sent for his ungentlemanly behaviour during proceedings of the investigation.

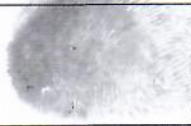

We want to assure you that no land grabbing took place here. We voluntarily leased our land to the Government of Sierra Leone which in turn was released to Socfin for Agricultural purposes. We also would like to tell you that most of those shouting are not land owners.

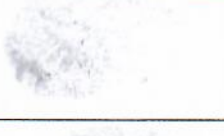

Socfin is doing its corporate social responsibility to the satisfaction of Malen Community.

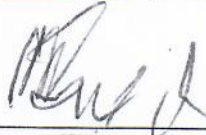

On behalf of the entire community in Malen Chiefdom, we are very much grateful for the lead you have taken to bring peace into our beloved Chiefdom. With your leadership, we hope that everlasting peace will soon reign in Malen Chiefdom.

Yours faithfully,

Below are principal signatories:
